Always on trend; free-form, loose natural stone cladding will add texture, stylish visual appeal and a unique creativity to any facade or feature wall, whether internal or external. The loose stones of Natural Grey are neutral but impactful. Mostly mid slate-grey in colour intermittently interspersed with tasteful dark grey pieces which add punch. An excellent walling solution in a multitude of interior and exterior contexts. Corner pieces available.

We recommend sealing of all natural stone products.
*Non stock item. Check production lead time, we make to order.
