

Warranty

The Pool Tile Company (ABN 40 009 824 499) warrant Ceramic Mosaics they supply as complying with the requirements of the *Trade Practices Act (1974) - Statutory Warranties*. The Pool Tile Company Pty Ltd warrants for a period of ten years following installation, their Ceramic Mosaics;

ARE OF MERCHANTABLE QUALITY - The product will be of a level of quality and performance that is reasonable to expect having regard to its price and the way it is described.

CORRESPONDS TO THE DESCRIPTIONS AND SAMPLES - All Pool Tile Company Ceramic Mosaic samples are made from actual materials that would ordinarily be made available for sale.

ARE FIT FOR PURPOSE – The Pool Tile Company Ceramic Mosaics are designed for use in swimming pools both indoor and outdoor where water balance is maintained in accordance with *Australian Standard 3633 (1989) – “Private Swimming Pools - Water Quality”*.

ARE FREE FROM DEFECTS - There are no hidden defects which affect the merchantable quality of the goods. The product is Ceramic mosaic pieces adhered to mesh with a suitable adhesive.

The scope of this Warranty is limited to replacement of defective product. It does not extend to collateral damage of any kind.

The Pool Tile Company Pty Limited are not the installers of the product. We recommend that this product be professionally applied by licensed tilers with pool tiling experience using appropriate glues and grouts for Ceramic mosaics in a fully immersed situation. The Pool Tile Company cannot and will not be held responsible for application faults. Damage caused by incorrect installation practices, movement in the concrete shell of the pool and/or incorrect water balance is out of the control of The Pool Tile Company Pty Limited and therefore not covered by this warranty.
