We recommend sealing of all natural stone products.

Highland Grey

Description

Highland Grey, with its cool light grey colouring is a beautiful, and bound-to-be popular addition to our extensive range of natural stone. It is cool underfoot and offers moderate slip resistance due to its gently textured, sandblasted finish. The tumbled edge tiles are accurately sized and easy to lay. The winds, mist and slow heavy clouds of the Scottish Highlands' and our Highland Grey Marble, moody and magical in glorious grey.

Why choose Highland Grey?

Marble is a beautiful, regal stone. The natural, organic tonal variation between the tiles looks great in both traditional and modern settings. Marble can be used both outdoors and indoors. It is very cool underfoot so ideal to use in any climate. The sandblasted texture is fabulous to walk and sit on and offers great slip resistance. Marble is accurately sized, cuts well and is easy to lay.

Finish

Sandblasted

Maintenance

Requires sealing. Seal with penetrating sealer to make cleaning easier. Use pH neutral cleaners. Do not use acid to clean.

Slip Rating (Wet Pendulum)

This tile has a P5 slip rating in the (V) pendulum classification which is the highest wet pendulum rating available under the current standards. (For pool surrounds, a minimum of P4 is required.)
