Macadamia Travertine

Description

Macadamia Travertine is the Grace Kelly of the Travertine world! Formal and sophisticated in creams and light browns she is a polished, velvety, graceful and lustrous tile and our most glamorous dream girl.

Why choose Macadamia Travertine

Travertine is a hard wearing yet beautiful stone. Its natural colour variation hides marks and dirt. It is cool underfoot and offers high slip resistance. It is accurately sized, cuts well and is easy to lay. Classic in appearance Macadamia Travertine shows a moderate amount of natural colour and patternation variation from tile to tile. The honed and filled finish is ideal to be used both inside and outside for a seamless look between these spaces.

Finish

Honed and Filled

Maintenance

Requires sealing. Seal with penetrating sealer to make cleaning easier. Use pH neutral cleaners. Do not use acid to clean.

Slip Rating (Wet Pendulum)

This tile has a P4 - P5 slip rating in the (V) pendulum classification which is the highest wet pendulum rating available under the current standards. (For pool surrounds, a minimum of P4 is required.)
