

SS315 Contempo Gold

Panel Size

350x180mm

Everything is gold with this white and creamy-white quartzite cladding. Compiled of varying sized and shaped pieces, Contempo Gold is a refined three-dimensional stone cladding product. The added adornment of the gold sparkles which glisten in the light make this stacked stone cladding an adored choice for those seeking a lovely light feature stone.

Contempo Gold will help you in the pursuit of happiness!

We recommend sealing of all natural stone products.
