

# SS700 Linen Travertine

## Panel Size

610x152mm

Enrich your surroundings with Linen Travertine stone wall cladding. The soft white and cream colours will transform any wall into a timeless feature. An ode to the lovely ageless cities of Italy which are enhanced by the charm of travertine, this product will allow your garden to sing and your pool to sparkle. Surround yourself with elegance and perfection. Make your backyard, courtyard, pool area, column, fireplace or poolside feature wall into an entity of beauty.

Linen Travertine stacked stone cladding panels are timeless and exquisite!
