

SS705 Silver Travertine

Panel Size

610x152mm

With its sublime range of silver, grey, white and natural colours, Silver Travertine wall cladding will superbly complement a wide variety of surrounding tiles, pavers and paint colours. It looks simply stunning as a pool feature wall, it is classic and refined yet spirited and seductive. Choose Silver Travertine if you are ready to integrate something sensuous into your landscape.

Seriously the silver bullet of stacked stone!
